

The Ten Wings, Mapped

Commentary layers of the Yi, on one page.

The Ten Wings (十翼) — the Commentary Tradition

- Tuan Zhuan 彖傳上下 — on the hexagram judgments.
- Xiang Zhuan 象傳上下 — on the images.
- Xi Ci 繫辭上下 — the great philosophy (yin-yang, change).
- Wen Yan 文言 — on Qian and Kun.
- Shuo Gua 說卦 — on the trigrams.
- Xu Gua 序卦 — why this sequence.
- Za Gua 雜卦 — mixed notes on pairs.

The Wings turn the Zhou Yi from an oracle into a philosophy. Read Xi Ci first if you read one.
