

Ten Gods Relationship Map

Five relationships, ten names.

Ten Gods (十神) — Five Relationships × Yin/Yang

- Friend (比肩) / Rival (劫財) — same element. Peers, siblings, competitors.
- Eating (食神) / Hurting (傷官) — what you produce. Talent, expression, children.
- Officer (正官) / Seven Killings (七殞) — what controls you: career, discipline, pressure.
- Direct Wealth (正財) / Indirect Wealth (偏財) — what you control. Money, assets.
- Direct Seal (正印) / Indirect Seal (偏印) — what produces you. Support, study, mentors.

Rule of thumb: the god's yin/yang relative to the Day Master decides “direct” vs “indirect.” Same polarity = indirect.
