

BaZi One-Page: the Four Pillars Diagram

- Day pillar — YOU (the Day Master). Hour pillar — inner life & later years.
- Each pillar = Heavenly Stem (top) + Earthly Branch (bottom). $4 \times 2 = 8$ characters.

Find Your Day Master in 30 Seconds

Open any chart. Look at the DAY column, top character — the stem. That is the Day Master (日主). Ask: do the surrounding pillars feed it or drain it? That one question starts every reading.
