狗 Dog 戌	2030 2018 2006 1994
豬 Pig 亥	2031 2019 2007 1995

Three Rules

- The zodiac is a calendar first, personality test second.
- The year flips at Chinese New Year — late-January births can fall either side.
- The animal is the face; the branch behind it is what a BaZi chart actually uses.
